Reason for Final Changes

Multiple functional issues here:

1. No skill video thumbnails visible
2. Only 2/3 trainers responded within 24 hours, but I'm still not allowed to choose a trainer

It's supposed to be when the 24 hour time elapses whichever Trainers sent Game Checks, they are the options that the Hooper chooses frThe bottom nav Hooper icon lights up when I'm in my library. The profile pic should light up instead because I'm still in my profile area.

Example:

1. 3 trainers are selected and all 3 send Game Checks = 3 Trainers to choose for free trial
2. 3 trainers are selected and only 2 send Game Checks = 2 Trainers to choose for free trial
3. 3 trainers are selected and only 1 sends a Game Check = 1 Trainer to choose for free trial
